NOTE FOR: Colonel Gil Rye, NSC

FROM: [redacted] Director
Office of Planning, ICS

25X1

SUBJECT: DoD Companion Report to the 1985 Intelligence Capabilities Study

25X1

In our meeting last Thursday you asked about the status of the subject DoD report. Attached is a copy of our responses to a similar question from the HAC Defense Subcommittee. It was coordinated with DUSDP. For background, I have also attached copies of the answers to some additional HAC questions concerning the DoD study. [redacted]

NFIP BUDGET OVERVIEW

5 MAY 1982

QUESTIONS FOR THE RECORD

QUESTION AREA: 1985 Intelligence Capabilities Study

QUESTION 1A. What is the status of the companion DoD report as this Committee has not received a copy of it?

ANSWER. A draft of the companion DoD report was completed on 28 October 1981. It was widely coordinated within the Defense establishment. It has not been forwarded to the Secretary of Defense or to the White House. 25X1
